JOURNEY TO A MOTHER'S ROOM

Celia Rico Clavellino

 écranlarge

« Journey » is a marvel of humanity, ambiguity, depth and emotion. You can't miss it!

Télérama

A first feature with remarkable delicacy.

L'OB

The soft sensibility gives an impression of a two-voice concerto. In fact, it's a journey to the heart of a mother.

franceinfo:

The director wonderfully expresses the pain of mourning. A very beautiful movie

**fiches
du cinéma**

A very promising first feature film.

Voici

A touching and accurate « huis-clos »

**Le Journal
du Dimanche**

Giving a lot of importance to details, the director signs a touching story
